

Welcome to 6th Grade!

Welcome to 6th grade! We're so excited to have you! To prevent summer loss and to prepare for the next year, you will need to keep reading over the summer. Please participate in taking AR tests this summer in the Cathedral Elementary computer lab. 6th grade is the last year to make the "500 Point Club". All points earned during the summer will count towards this goal.

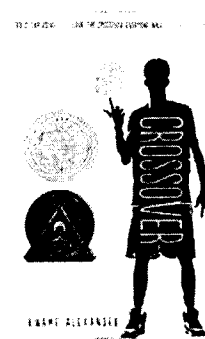

One book must be from the following Newbery Winner list and the student must take an AR test on the book. The test will count as the first reading major grade.
